The illustrations in this book are iconic of the fashion and style of the times over the last 100 years that made huge differences and changes not only with fashion but with the world movement as a whole as well. The introduction gives a brief overview of fashion since the beginning which actually began in the sixteenth century, the goes into the 1900's and beyond. I still find it interesting sometimes how fashion has changed. From the c

### **An illustrated history of fashion : 500 years of fashion ...**

Early in the century fashion illustration reflected new, liberating currents in art and culture, such as the exoticism of the Ballets Russes, while the postwar period saw inspiration from the great Parisian couturiers. After the dominance of the celebrity fashion photographer in the '60s, a new generation of illustrators emerged, embracing the medium of the computer, while many returned to more traditional techniques.

### **Fashion Illustration | British Vogue**

Really fashion illustration is almost any illustration whose focus is on fashion, accessories, and related media. Rather than telling a story about the illustration subject, fashion illustration tells stories about clothing, handbags, shoes, jewelry, and more. Almost anything that calls for illustrated work could contain fashion illustration, and specializing in this sort of design work makes ...

### **So You Want to Be a Fashion Illustrator?**

The excess of fashion seen in the previous decades seemed absurd during the years of rationing and hardship in the Second World War. Illustrations took a simpler and more literal turn. The war over, a New Look comes into play. Glamour, femininity and excess comes back by way of the rekindled Paris Couture scene. Christian Dior used illustration endlessly to promote the brand and other brands ...
