Gentle Madness Bibliophiles Bibliomanes

A GENTLE MADNESS delves into the world of bibliophiles and bibliomanes. It is quite a hefty tome, well researched with copious notes, a bibliography and index. It is perhaps not a book to be read from cover to cover, even by the most avid of book lovers, but rather one that can be appreciated by dipping into it now and then.

A Gentle Madness by Nicholas Basbanes is a wonderful book. The original version is worth not 5 Stars but 10. My rating here is only as to the new smaller paperback version. Although out of print- it is and has been easily obtainable despite the claims of some reviewers on this page. And finally a Kindle electronic edition (if only the other 2 volumes of the trilogy would make it to Kindle ...
