Against Liberalism Kekes John

Liberalism is doomed to failure, John Kekes argues in this penetrating criticism of its basic assumptions. Liberals favor individual autonomy, a wide plurality of choices, and equal rights and resources, seeing them as essential for good lives. They oppose such evils as selfishness, intolerance, cruelty, and greed. Yet the more autonomy, equality, and pluralism there is, Kekes contends, the greater is the scope for evil. According to Kekes, liberalism is inconsistent because the conditions ...

John Kekes's Against Liberalism and A Case for Conservatism are both chockfull of intelligent and challenging analyses--in the former, of desert, collective responsibility, moral pluralism, and benevolence; in the latter, of moral intuition, moral identity, moral disgust, moral tradition, and moral authority-- from which liberals (like myself), and nonliberals alike, can surely benefit. Nonetheless, I think that the former book underestimates the resources available to liberalism, and the ...

John Kekes's aim is to challenge the conceptual coherence of liberalism - mostly 'left liberalism' - on many fronts. First, liberals tend to value personal autonomy over other values, suggesting that most evil acts are the products of non autonomous action and that crime is mostly a problem of people not having full autonomy. (Notice that liberals have often tended to look at crime and poverty as things largely fixable by changing environmental causes, and focus on rehabilitation of ...
