### **Amazon.fr - Claudius the God - Robert Graves - Livres**

Robert Graves recreates the life of the Roman Emperor Claudius, as if Claudius were writing his biography in secret. The first part of his story, I Claudius, follows events up until the fearful and comic moment when, against all expectations, Claudius, the stutterer, the fool, the gauche academic, becomes emperor of the Roman Empire.

### **Claudius the God (Robert Graves Book 2) (English Edition ...**

— Robert Graves, Claudius the God and His Wife Messalina I, Claudius and Claudius the God and His Wife Messalina are two of the greatest novels of historical fiction EVER. Probably the only writers who come close to Grave's mastery of history and literature are (in no particular order):

### **Claudius the God and His Wife Messalina by Robert Graves**

Claudius is the classic underdog, yes. But he is the underdog who makes good, or at least is very far from the dismal failure that is anticipated on every hand. He cultivates the loyalty of the army on which future emperors will be increasingly dependent. He invades Britain in AD 43, conquering much of it and establishing client kingdoms.

### **Claudius the God (Robert Graves) » p.1 » Global Archive ...**

Robert Graves provides Claudius with a compassionate personality, ill suited to his times. But this makes the narrating voice one with which we have much sympathy, especially when the cruel deceptions practiced by the perfidious Messalina are revealed. The story is put forward in a clear and compelling fashion. Covering almost 200 years, and with a host of characters, it is epic in scale, yet ...

### **I, Claudius, and Claudius the God: Graves, Robert ...**

I, Claudius is a historical novel by English writer Robert Graves, published in 1934. Written in the form of an autobiography of the Roman Emperor Claudius, it tells the history of the Julio-Claudian dynasty and the early years of the Roman Empire, from Julius Caesar 's assassination in 44 BC to Caligula 's assassination in AD 41.

### **I, Claudius - Wikipedia**

Claudius the God is the last phase of Claudius' life, where he goes from outliving most of his family, and how it affects him (and many other people). People have objected to some of the work as "padding", the long look at Herod Agrippa's story, for example. I enjoyed it all. Graves is a brilliant writer.

### **Claudius The God: Graves, Robert: 9789089680365: Amazon ...**

Robert Graves is a good writer and keeps you interested until the very end. The title comes from an incident near the end of the book when a group of British want to build a Temple to him and worship him as a God. We get in inside view of the history of Rome from the man who ruled it.

### **Claudius the God: Graves, Robert: Amazon.com: Books**

Robert Graves was born in 1895 in Wimbledon. He went from school to the First World War, where he became a captain in the Royal Welch Fusiliers and was seriously wounded at the Battle of the Somme. He wrote his autobiography, Goodbye to All That, in 1929, and it was soon established as a modern classic.

Claudius the God is the last phase of Claudius' life, where he goes from outliving most of his family, and how it affects him (and many other people). People have objected to some of the work as "padding", the long look at Herod Agrippa's story, for example. I enjoyed it all. Graves is a brilliant writer.

### **Amazon.com: Claudius the God eBook: Graves, Robert: Kindle ...**

Claudius' very human attitude is the red line of Graves' entire story: it's about a quite unconventional emperor, who is in conflict with old Roman values, presented by the Senate.

### **Claudius the God (Audible Audio Edition): Robert Graves ...**

The Genius of 'I, Claudius' and 'Claudius the God' is derived from Graves' ability to create such an amazingly rich and deep literary character. The closest I've come across in recent times is Hilary Mantel's Thomas Cromwell. Books like these are rare and seem to grow more amazing with each year. 18 people found this helpful

### **Claudius the God by Robert Graves | Audiobook | Audible.com**

I, Claudius, and Claudius the God. By Robert Graves I, Claudius, and Claudius the God By Robert Graves A work of historical fiction which recreates the life and times of Emperor Claudius, who lived from 10 BC to AD 41, a time when poisoning, blasphemy, treachery, incest and unnatural vice were commonplace. From
