Walter Henrichsen's "After the Sacrifice" is not a detailed commentary on the book of Hebrews. As the subtitle says, it is "A Practical Study." However, it's a good introduction for someone who wants an overview of the book. Although fewer than 200 pages, it isn't superficial. Henrichsen provides 27 helpful charts and illustrations to help the reader understand the main concepts. Henrichsen also makes a real effort to bring out the practical implications of the book of Hebrews.
