Flora Europaea 5 Volume Paperback Set: Flora Europaea ...

The Flora Europaea, originally published between 1964 and 1980, explores the synthesis of all the national and regional Floras of Europe. It is based on a critical review of existing literature and on studies in herbaria and in the field. It aims to be simple as well as authoritative, and should enable a reader to name as far as its subspecies any fern, conifer or flowering plant growing wild or widely cultivated. The fifth and final volume covers the Monocotyledons. Apart from keys and ...

Flora Europaea — Wikipédia

The Flora Europaea is a 5-volume encyclopedia of plants, published between 1964 and 1993 by Cambridge University Press. The aim was to describe all the national Floras of Europe in a single, authoritative publication to help readers identify any wild or widely cultivated plant in Europe to the subspecies level. It also provides information on geographical distribution, habitat preference, and chromosome number, where known. The Flora was released in CD form in 2001, and the Royal ...
