### **Mel Bay Electric Bass Position**

First Lessons Bass is intended to introduce beginning students to the fundamental concepts of playing the electric bass. The material covered in this book is approximately the material covered in the first 8 lessons of private bass instruction. This book makes use of the "3-finger" left hand position commonly found in double bass technique. The emphasis on left hand technique allows the ...

Jason Raso's Soloing on Electric Bass: A Chord Tone Approach provides the next step following his first book for Mel Bay Publications, Improvising on Electric Bass. The primary focus of this second book is to help you develop a more melodic approach to solo bass playing. The author suggests avoiding root notes, concentrating instead on chord tones of a 3rd, 5th, and 7th as fertile ground to begin revising your approach to more creative sol...
